5) I cannot say that it is here to postpone
the work of metering house connections or reducing
the outlay on this work. Metering will
undoubtedly have a wholesome effect on the
distribution of the supply available.

6) I am afraid a certain amount of financial
feeling has necessitated increased Expenditure on
the distribution system. However as the govt
have raised their loan on certain assurances
of their ratepayers, we may yield to the wishes
of the local Council.

Sir,

With reference to Government Order No L 6542-6/ML 109-36-3 dated 13-3-1937 sanctioning with certain modifications, the detailed programme of works to be executed out of loan funds, I have the honour to forward herewith a copy of the Municipal Council's Resolution No 495 dated 27-3-1937 requesting Government to reconsider the modifications made by them in view of the fact that the amount of Rs 84,049/- provided for the improvement of the distribution of water supply in the Council's Resolution is the minimum necessary for urgent works and does not admit of reduction and suggesting that the provision of Rs 25,000/- may also be allowed to stand for the present, further installation of meters being taken up, if necessary at a later stage

In the circumstances, I request that the provision originally made by the Council for these two works may be kindly allowed to stand

I have the honour to be,

Sir,

Your most obedient servant,

M A Sreenivasan
